STRETCH YOUR WORLD OUT THROUGH PFF

1 : If you enter your film...

Every entered film will be viewed

More than 15 participants from the film industry take more than 4 months to view all the entrants. At least 3 people will participate in the judgment of the first selection, while in the second selection, all preliminary judges will join and select the finalists through deep discussion.

2 : If your film is selected as a finalist...

Your film will be seen by 10,000 audiences

Movie fans from all over Japan will see your film at PFF 2011, which will be held in Tokyo, Nagoya, Kyoto and some other major cities.

You will be given a chance to meet famous creators and filmmakers

5 of top creators, including film director and producer, will view all nominated films and select winners. You will have a chance to talk to these judges at the award ceremony and may get a chance to work with them!

Your film will go to the first-run theaters

There are a lot of people in movie business, who are always paying attention to PFF. It means

that your film may potentially be screened at first-run theaters.

Your film will be DVD and sold at shops and broadcasted on TV

Your film will be seen by people who cannot attend the festival.

And even to the world

We have introduced many PFF Award works to the international film festivals. If your work catches the eyes of programmers or coordinators, it may be screened at these festivals.

You will get a chance to enter the graduate school of Waseda University

If you wish, a few people can enter the graduate school of Waseda University, and learn about filmmaking for two years in the latest facilities.

3 : If you win...

Grand prizewinner will be given the cash prize of 1,000,000yen

Final judges will select award winners of the Grand prize, the Runner-up Award and the Special Juries' Award and each company of PFF partners will select a winner of their own award, respectively.

You will get a chance to make a feature-length movie

The award winners will become eligible for the "PFF Scholarship," a producing system for creating a full-length film and therefore make a debut as a full-length filmmaker.

ELIGIBILITY AND RESTRICTIONS ON THE ENTRY

-Films that have been commercially released cannot be registered (commercially released in theaters, TV, DVD/Video, broadcasted on the internet, distributed overseas etc.).

-Only the films created after April 1st, 2011 qualify for registration.

MUSICAL OR VISUAL COPYRIGHTS

If the film is based on any original work by another (novel, comics etc.) or any copyrighted musical or visual piece is used in the film, it is necessary to obtain the permission of the copyright holder. Be sure to obtain the approval of the original author or the party, which holds the copyright to such work prior to entering the film for competition. It should be understood that, although it is possible to evaluate a film without due copyright approval, it would not be shown to the public during the film festival even when it is selected as a finalist as the result of the evaluation.

AFTER ENTRY

After the acceptance period, all entrants receive an "entrant certificate" by e-mail.
